PRESIDENT'S MESSAGE

The Fescht has come and gone. We had 3 beautiful days a little warm at times and no rain. As far as I know for the most part DAF went off without a hitch. To all of the members who volunteered for the weekend, and some who helped the week before, and helped putting up the stakes and marking the stakes, A very special thanks to everyone who helped because without you the DAF wouldn't be possible. Thanks to the ones that did all the ground work. The Presidents banquet will be held at Nova, November 7 at 12 o'clock. More details at our next meeting which will be September 4th at the church. Hope to see everyone on the next tour.

Marilyn Roth

ACTIVITIES CORNER

Well, here we are in September, I don't know about you but fall can't come soon enough. The heat was brutal. Those of you who are going on the 4-Day Tour to Cape May that's coming up on September 24th to the 27th I hope you enjoy it.

The President's Banquet will be changed to November the 7th and the Apple Jack

tour is supposed to be on November 14th. As far as the bakers for September and October meetings the women have stepped up to bake, thank you. We need some one for the November meeting.

Everyone please be safe and stay cool until fall is totally here.

DAS AWKSCHT FESCHT REGISTRATION THANK YOU

A BIG thank you to the people who helped in the Registration Tents and at the Participation Award building during Das Awkscht Fescht. Your cooperation made those jobs run extremely well. As usual your help came thru when we needed it. Hope to see you all next year?

KEEP ME INFORMED

When someone is in the hospital, or on the sick list I would appreciate if you could let me know. If someone from the club has passed away I would also greatly appreciate a phone call.

Thank You, Phyllis Peters, Membership.

THINGS TO REMEMBER WHEN TOURING AND USING THE DROP OUT SYSTEM

- Always use and display your Ontelaunee Tour Banner. If you do not have one you can purchase one from Phyllis Peters, Membership Chairperson
- If you have a CB Radio we usually use channel 7. This is a great way of keeping in touch with others if problems occur.
- When driving on a tour it is important that you try to keep the car behind you in your sight. This way if there is a problem the tour can stay together.
- Toumasters should always drive at a moderate speed if possible so a tour can be enjoyed.
- When asked to drop out. Always stop at the side of the road. Fall back in when the tail car approaches
