PRESIDENT'S MESSAGE

Welcome to 2022. Let me introduce myself to those who don't already know me. My wife, Elsa and I have been AACA members for almost 50 years. I was President of the Delaware Valley Region for 6 years and Newsletter Editor of that region for 25 years. We are still much involved in that region, along with the Ontelaunee Region.

My wife and I planned a few of our club's local runs, as well as the 2-day tour in 2020 and the 4-day tour in 2021. I am looking forward to a great year ahead for our region, but we need the help of all of our members to continue to make this happen. If you have never planned a tour, this is the year to do it. It is as much fun to plan a tour as it is to participate in one. We all love to go to new places and discover new things.

I want to give a special Thank You to Suzy McGovern for heading up our tours, as well as a Thank You to all those who planned our previous events. I also want to give a big thank You to Marilyn Roth, who led us through a really trying year. She did a wonderful job, and I know we all appreciate the work that she and the other board and committee members have done. Let's hope we never have to live through another year like that one.

There is a new tentative calendar of events in this newsletter. Think it over, and contact Suzy to let her know which tours you would enjoy planning.

LET'S HAVE FUN IN 2022! Ken Dages, President

CAR EVENTS IN ITALY IN 2022

Let us bring on the holiday fun. Celebrate the season in European style with "La Dolce vita" ("the sweet life" or "the good life" in Italy). I'd like to share some stories and events related to the cars in this extraordinarily beloved country in 2022.

Cortina d'Ampezzo (Curtain of the wide Valley) will host the Winter Olympics for a second time when it co-hosts the 2026 Winter Olympics with Milan.

Cortina d'Ampezzo, Queen of the Italy icon mountain Dolomite, will host "ACISPORT Superclassica" for the cars built within 1976. The competition unfolds along a 400 km extraordinary unique route all in Italy March 2022. Glamour and excitement are also guaranteed by a parade of contemporary cars, which will make a tribute opening of the historic cars race.

The thought of period cars thrashing between these peaks on a frozen circuit is spine-tingling. Imaging being part of the event in the glacier-carved profile of vertical faces and rocky pinnacles, nothing short of spectacular.

Coppa d'Oro delle Dolomiti (Dolomites Gold Cup Race) will hold in summer July. With its first edition held in 1947. Its four-day program usually features two days of races both starting and ending in Cortina as well as the Cortina Tour and the prize-giving ceremony. The circuit went through many Italian towns, and it had nearly 2,000 meters (2 km, 1.25 miles, or 6,600 feet) of elevation change- more than 6 1/2 times that of the Nürburgring and the Isle of Man TT track. What a thrilling experience.

Thanks. Frances Liao
