PRESIDENT'S MESSAGE

The summer heat is here just in time to remind us, it is Das Awkscht Fescht time. By the time you read this message, it will be just a memory. Macungie Fescht Committee Chair Bob Hobaugh and the rest of his fellow planners at the Macungie Fescht board have moved heaven and earth for this year to bring you not only our 60th Anniversary Show and the 70th Anniversary of our feature car, the Chevrolet Corvette. There is so much that goes on at a show featuring almost 1800 cars over three days that you can't imagine. We could sure use some help! Please consider putting your name in for next year. It would be much appreciated. Remember, this is a major fundraiser, not only for the park but for this club. If you want to do it well, it needs your support.

Speaking of heat, the dog days tour is coming up quickly, and we are going to Hershey to visit the new national AACA office and library. It will be hosted for us by AACA director Steve Moskowitz. Come and meet your national director, live and in person. See elsewhere in this issue for details. Contact Michael Horning to sign up. Second, sign up for the two-day tour to historic Gettysburg. Tour the battlefield and take in the enormous history made here to keep our nation unified at this troubling time. Of course, we will do what we do best. Sit down and eat a meal together. Contact Vice President, Barbara Koch, to sign up. Ontelaunee AACA does not slow down for summer. Join us for these fine events! Join in on the fun!

Respectfully submitted, Jeff Dotterer, President

On Monday, July 24, 2023, starting at 7 AM, I will begin holding the get-together for finding the pins for setting up the vendor spaces layout grid. Annual Vendor Stakeout Session

We will be doing the annual field stakeouts for the vendor spaces on Monday, July 31, 2023, starting at 2 PM. This show is our main fundraiser and its success begins with your help getting the vendor spaces marked off and designated. Please plan to attend and bring a heavy-duty hammer or hand-held sledge/pounder to drive in the wooden stakes. The rain date will be Tuesday, August 1, 2023. If you have any questions, please e-mail LeRoy Hinkle at leroyhinkle@verizon.net or call 610-562-8387. If calling, please leave a message if unanswered. Your call will be returned. Thank you.

ACTIVITIES CORNER

I hope you're having a great summer. I just came from the club picnic which had a great car tour and a great catered picnic (food was wonderful). Now on the way home was not a great deal of fun let me explain. Heading towards Fleetwood became a nightmare because there was so much flooding that it wasn't even funny. I drove through so much flooding on the roads and detours that I kept praying that my car wouldn't stall. I was sort of behind Lester and then I lost him for a little bit but caught up to him only because his car stalled in the flood water. I pulled over to see if he needed help but said he was going to try and start his car in a little bit. He was so close to his house so I continued on my journey only to find out I lost my breaks.(YIKES) When I got home I called Lester to see if he got home safe and sound only to find out he was still sitting at the same spot (Poor Susie & Barb). Gradually my breaks sort of started to come back but still were not really good until I got home. I'm going to take it to my mechanic on Monday. I wish more people would come out and join in our car runs fun.

Don't forget our Dog Day Tour and our 3 day tour to Gettysburg. Don't forget DAS AWKCHT FESCHT. Please stay safe and still have fun.
