PRESIDENT'S MESSAGE

I'm wishing you fellow car enthusiasts a happy and prosperous 2024. I hope you are still enjoying the last few days of this past holiday season! I also hope that all of you who attended the Christmas party in December had a good time at the party.

Looking back on 2023, our club did some interesting monthly car tours- we drove throughout Berks, Lehigh, Lancaster, Lebanon, Schuylkill, Montgomery, and Dauphin counties. Many of the tours covered country roads that most of us had never driven before. We toured places like Saint Peter's Village, a car museum in Intercourse, lunch at an assisted living facility, a day at Knoeble's amusement park, a tour of the Harrisburg AACA library, a Gettysburg battleground tour, a tour of President Eisenhower's farm, Grimes Airport tour, and the Daniel Boone homestead. Our tourmasters always found wonderful restaurants to include on the tours. I think we all enjoyed the friendship and great fun that the tours encouraged.

This past August our club had a successful Awkscht Fescht car show in Macungie. The weather fully cooperated- no rain, plenty of sunshine, and less humidity. There were many beautiful classic cars including the featured cars- Corvettes.

We also had a successful Car flea market last March. So please try to join us on the tours this coming year. You are welcome to drive your classic car or your every day vehicle. Our 3 or 4 day tour in September will take us to northeastern PA.

Don't forget that the March car flea market is being held at a new venue this year- The Leesport Farmers Market property in Leesport, PA. just off route #61. The date is Sunday March 3, 2024. Our monthly meetings are as usual- the first Saturday of the month at 3 PM. at the church in Krumsville on rte. #737. I hope to see you there!

Barbara Koch

ACTIVITIES CORNER

It's the start of a new year and we start the tours in April (EARLY BIRD). As of yet no one has offered to run this one. So PLEASE start to think about running a tour because we only have 3 tours signed up so far.....which are June, September and October. If you have never run a tour, think about doing it. There are many people who can help guide you through it. Someone gave me information about a different type of tour...if interested give me a call and I will share the info.

As far as the bakers go we need some for May and one for October. So we are in good shape for next year already.

I hope we have good weather for the next coming months. Take care and stay safe for the next month.....

Suzy
